BESTOW Be Cleansed

Blend of super foods and herbs in powder form that can naturally purify and beautify your skin from the inside out: as well as detoxifies the bowel and liver, also promoting all over gut health. Can be easily blended into smoothies, juice or over your favourite foods. Bestow is designed to give you a clearer, more radiant skin, with ingredients including flax fibre, sunflower seeds, almond, citrus ginger & liquorices. It really is the complete skin food!.

Pure Fiji Crème Scrub

An indulgent coconut crème body scrub with pineapple and papaya extracts to gently buff away dead dull skin cells, unclog pores and rejuvenate your skin while also leaving it clean and smooth, as well as deeply moisturised and nourished.

Thalgo Collagen Booster

Combat the effects of aging and boosts cellular activity deep-down. Boost your skin with Vitamins C, E, B8 & Selenium to help strengthen, nourish and repair. Take one capsule a day before breakfast and notice the difference in your skin inside & out, also great for arthritis and is complementary to all Thalgo products and treatments.

NEW Inika Baked Mineral Foundation

Baked on a terracotta tile in Tuscany, Italy, this silky smooth, breathable formula builds from sheer coverage and blends easily. Light reflecting technology allows each shade to flatter individual skin tones while giving a natural glowing finish. A great travel alternative to our ever popular loose mineral powder. In a mirrored compact container. Hypoallergenic and Dermatologist tested.
